About

Our innovative Job Application Tracker— A seamless way to manage your job search journey

- Search for the latest job openings for specific keywords
- Get direct link to company website
- Our application stores job application documents, such as resumes and cover letters
- Organize applications using a Kanban-style board with statuses like Wishlist, Waiting for Referral, Applied, and Rejected
- Link to demo video:
<https://drive.google.com/file/d/1N096plbiZH9cPoxaPnRfjno452qQZjZ9/view>

Kanban Board

Credentials to try application

Username: se_demo
Password: fall2024

Enhancements

- Resume builder with multiple templates to choose from.
- Automatic sankey graph generator.
- Find potential referrers via LinkedIn.
- Make application management easy by automatically filling the “Applied for Job” form.
- Location based searching of available roles.

Tools used

Group 55: Cyril Melvin Vincent, Bhushan Patil and Balaji Sankar
