Proposed Version

- Job Filtering : Add options for Full-time or Part-time filtering.
- Job Bookmarking : Allow applicants to save jobs for later viewing.
- Skill Match Indicator : Visual representation of skill match percentage with job requirements, sortable by relevance.
- Resume/CV Upload : Enable applicants to upload resumes or CVs of their choice directly in the job detail view.
- In-App Messaging : Create a messaging system for communication between applicants and hiring managers/HR.

Team 18 : Ishika Gandhi, Sai Kavya Marthala, Aniruddha Shivananda
